STEP 2 - ASK YOUR STUDENTS

Ask your students what they think

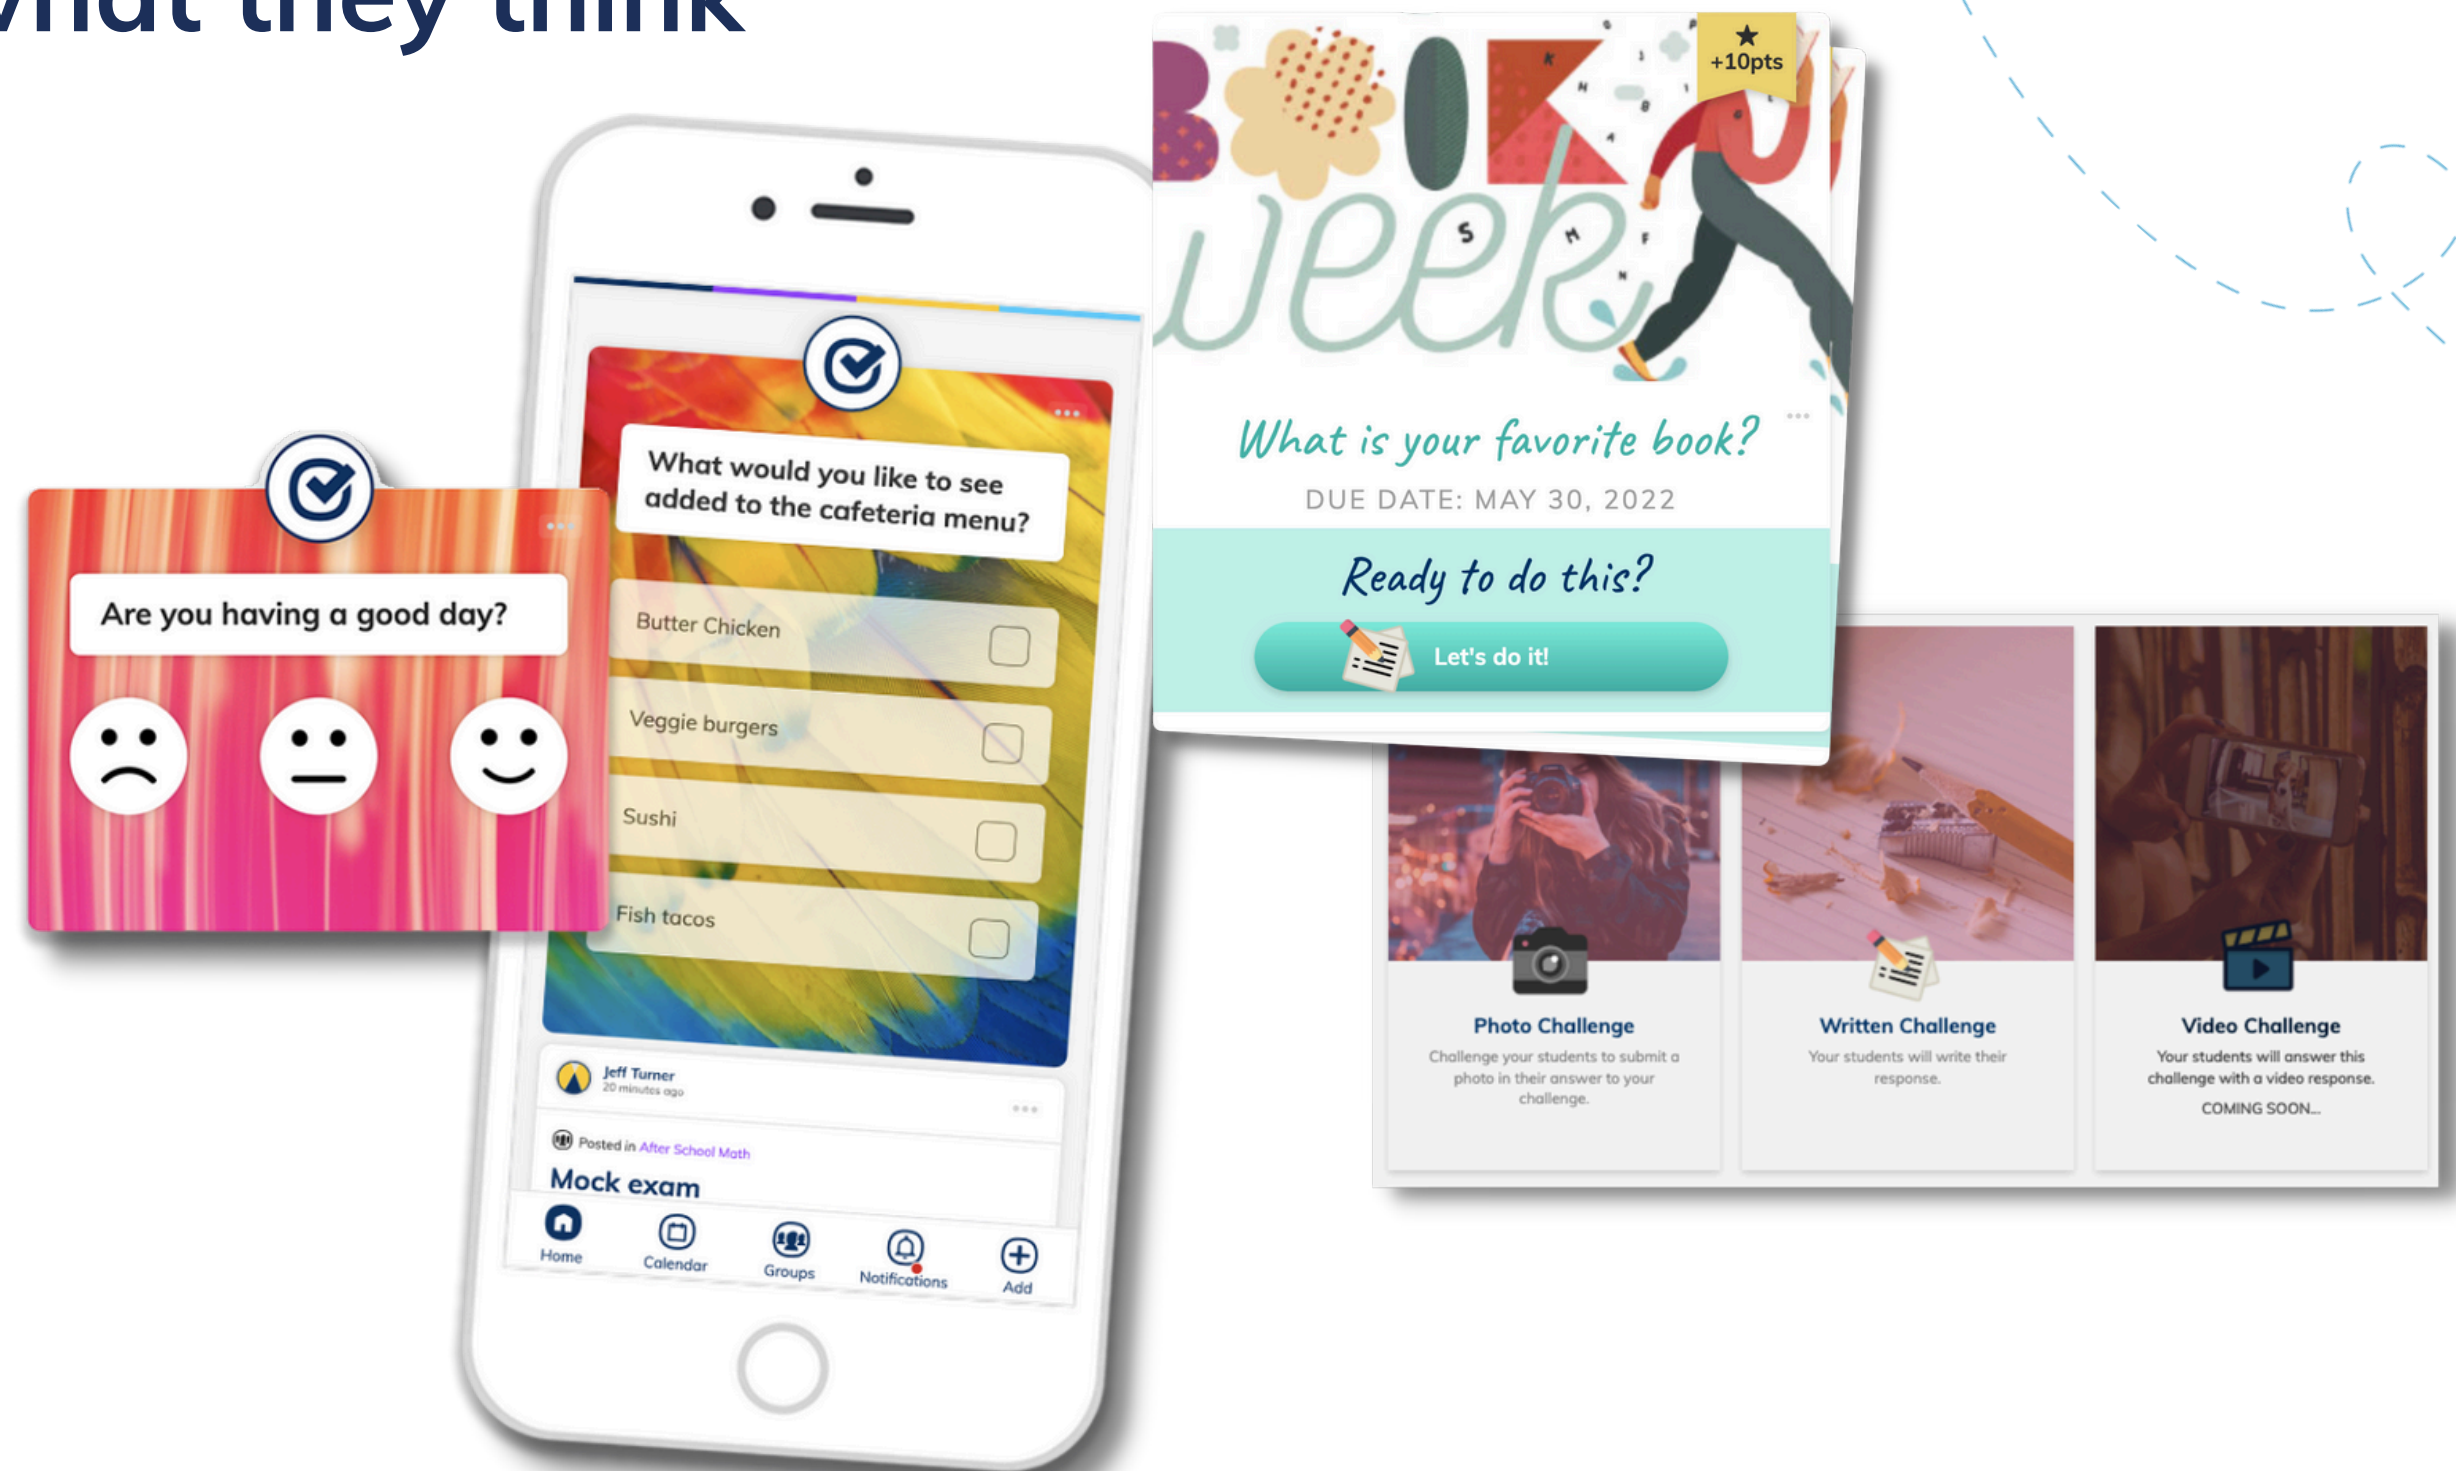

Post polls to your entire school to collect feedback and check in on your community.

Ask your students how their first week back is going, or what theme the school dance should be!

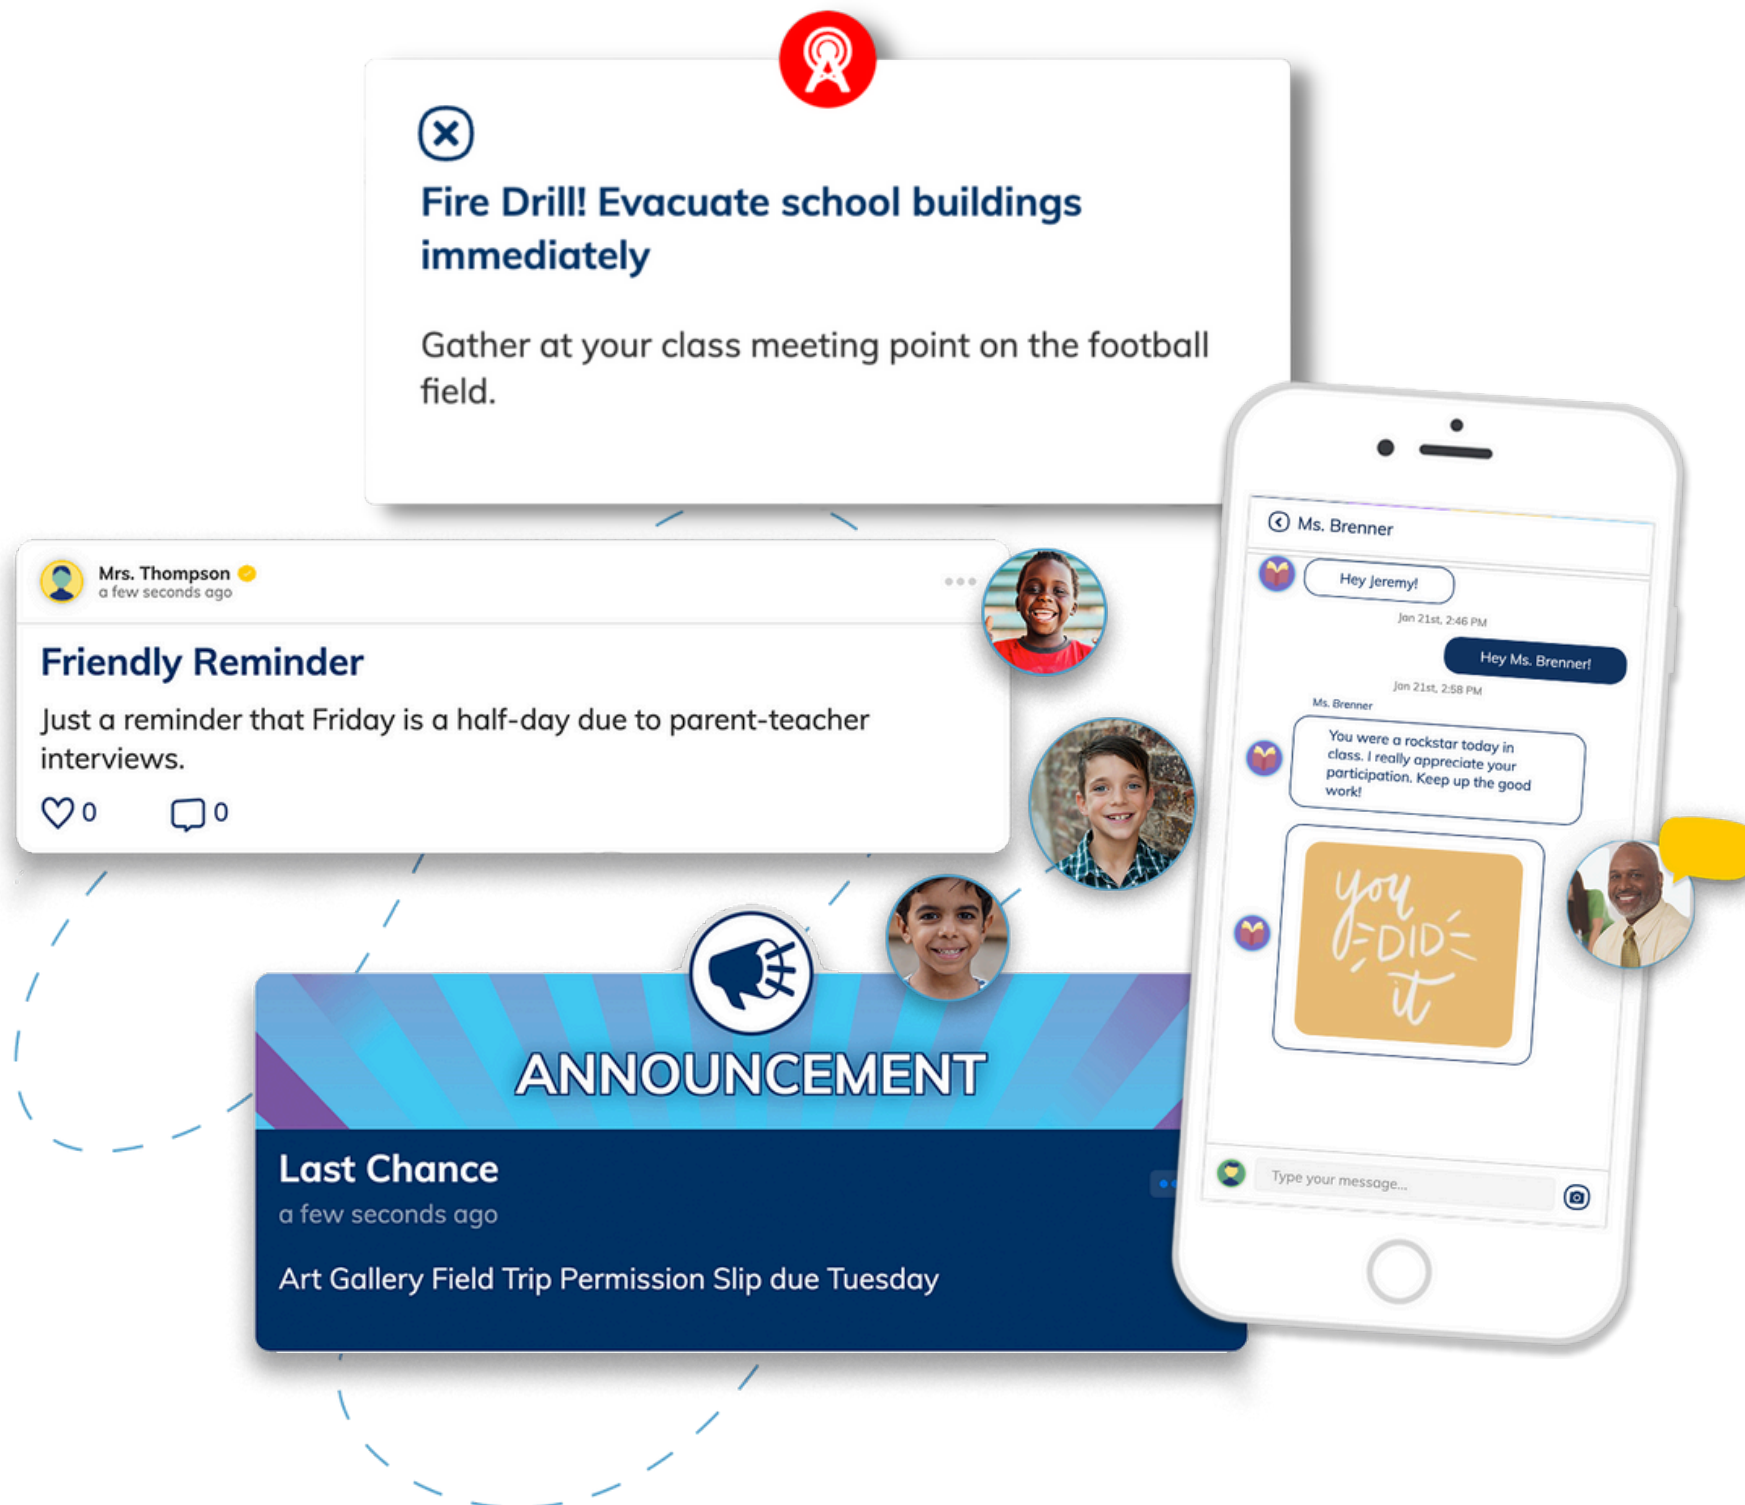

Challenge your students with photo, written or video challenges to create school-wide meaningful conversations.

Ask your community to share an inspirational quote, or something they did to help others today!

Send important messages

Need to remind everyone in the school about upcoming trips, events, room changes, half-days, dress up days.. and more..?

Announcements are the best way send important messages to all users in your Minga. They live on the main feed and are accompanied by push notifications to your Minga app.

Alerts notify all users across all devices for important messages that need to be conveyed urgently via push notification, in app pop ups and email.
